## **TO MY CHURCH FAMILY,**

This is a very belated thank-you for all you have done for me these last few months. All your prayers, calls and offers of help have given me hope and comfort. Please know that being home-bound only meant I could not travel. My prayer life was not affected. I can now drive around Laurel, go to stores, and most importantly go to church. Now, one thing about going to church – my eyes are still as they were and I cannot drive in the dark. So, Wednesday night and Saturday, I will need a ride to church (on Sunday I can drive myself since it is daylight). As long as I can make it to church when needed, I will be and am most grateful. My prayers of gratitude will continue and also for all who need them. God bless all of you – Gabriele (Gaby) Styles
